

"I am interested in a job that sets just as high goal for me as I do for myself. A job, where I get to work in an environment where you can use each other as collaboration partner and together reach higher goals. A job where I can bring, my cultural understanding and mixed education background to the table."

EDUCATION

2013-2015 Business Academy Aarhus, PBA Innovation & Entrepreneurship

The programme focuses on innovation, creativity and understanding of the different markets. It shows how to build and run a business that has the ability to grow. You get to establish professional networks and work within them.

2014 Austin Community College, Social Media Marketing Within Hospitality and Tourism

The programme centres about joining American and Danish student together to work with the project about how to help small business in the hospitality and tourism market and show them in how to get new customers with the use of the different social media platforms

2011-2013 Business Academy Aarhus, Multimedia design and Communication

The programme focuses on the work between, digital communication, marketing and interactive design. You learn about design, layout as well as programming. You build communication strategies to different kind of business organisations.

WORK EXPERIENCE

Graphic work

2015 Sussi Bianco, Personal assistant

The work I did for Sussi Bianco as her personal assistant consisted of marking new network connections for her within the area of health innovation and technology. Then I did new design and layout for her website, judge voting site for CareWare innovation and Entrepreneurship and design for Social media banners and marketing campaign.

2014 Århus Håndbold, Communication employee

For Århus Håndbold I worked within doing graphic work for website and social media. I controlled their social media and website with news, updates and answering fans, planned marketing campaigns online. I helped coordinated volunteers and networking with sponsors during matches and events within the club.

2013- Per Christian Frost, Freelance Graphic Designer

CD cover and CD design and set up for "Give it to me". Poster design for autumn 2015 tour for Per Christian Frost Band.

2013 Personale Events, Freelance Graphic

For Personale Events I did graphic design add for magazine for the companies clients.

2013 Specialized Denmark, Freelance video maker

On behalf of Specialized Denmark I did video editing. I received the raw material from the companies Nordic tour and cut and edited it into the videos they wanted for promotion.

2013 SocieTrees Video, media and graphic designer

For the help organization SocieTrees I did interviews, filming and video editing for small film to use for marketing and publicity.

Curriculum Vitae

Chris Tyas, Deltatre Media

"Camilla was very helpful and diligent in supporting the operational team on a big project for deltatre media during the 2012 Olympic Games in London. She is an exceptionally hard worker and handled all responsibilities that were assigned to her very well, I would be delighted to work with her again in the future"

Sasja Laumann, ASG

"Camilla is very popular, confident and inspiring in all she does in the ASG. She is also flexible, smiling and always in a good mood."

Ove Lyhne, DBU Jylland

"She is very diligent and works independently. Additionally Camilla is friendly and forthcoming as well as stable and conscientious"

Christian Østergaard, Present Aarhus

"Camilla has proved very mature despite her young age. She has good overview, is systematic, responsible, hard-working and determined. Especially when it comes to generation volunteers Camilla has shown great interest and resolution."

Jeanett Spelmann, Organizer

"Camilla has a distinct sense for service and is an independent and mature. She is thorough, prepared and very stable"

2012 Deltatre Media, Producer and graphic designer

At Deltatre Media I worked as Supervision producer for London 2012 Youtube channel. I did infographic designer for Channel 4 for Paralympics 2012 and I was a part of the team that won a BAFTA 2013 for Digital Creativity within that project. I also did graphic player and team artwork for UEFA and FIFA and design for the new graphic look for European Golf Tours SKY broadcasts.

Sport

2010- ASG, Fitness instructor

At ASG I have to positions. One that is working with new instructors and helping them be better at performing and using their voice in a class. And a position where I teach myself in either Step, Bodytonning, HiLow, Metcon, KettleCross, Circle training or outdoor fitness.

2011-2012 Fitness World, Fitness Instructor

At Fitness World I taught Step, Bodytonning and KettleCross classes.

Service jobs

2014-2015 Hotel Royal, Waitress

At Hotel Royal I worked as a waitress at morning service, dinner parties, events, private parties and for room service.

2011 UEFA, Runner

My primary job at UEFA was as a local runner. I knew the city, the language so it was easy for me to help others. During matches I helped as a children coordinator. Making sure everybody was right dressed, knew their place on the field and the choreography.

2010- Business Academy Aarhus , Student assistant

As a student assistant at BAAA my primary job consisted of administration work, student contact and collection information through questionnaires. My secondary part consisted of graphic work and short films for, for example, graduation.

2010-2012 Fabric, Sales assistant

At Fabric my sales assistant job consisted of basic sales, advising customers, store preparation, mannequin set up and cleaning the store.

2007-2012 Present Aarhus, Coordinator

As a coordinator I stood for finding volunteers planning their schedules inside the wardrobe department and I stood for the responsibilities if there should be any mix up's or trouble.

2007-2010 Mad med smag, Waitress

At Mad med smag my waitress job involved of dinner parties, events and private parties.

2005-2012 DBU Jylland, Office assistant

My job at DBU as an office assistant was a mixed between administration help and being a waitress at evening meeting.

2010-2012 People In Front, Team leader

As a Team leader I planned, coordinated and executed PR events and fairs. I did employee training for the events about the products.

2008-2010 Organizer, Team leader

For Organizer I did a lot of the same as at People In Front the events was just more store pasted than fairs.

2002-2003 Business Academy Aarhus, Office Assistant

The first time I worked at BAAA my job involved mailing, filing graduation papers and doing copy work for teachers.
